Chairman's Message

Kanhaiya Lal Choudhary

WELCOME

Every great dream begins with a dreamer and it was the dream of my father Shri Bannalal Choudhary who laid the foundation of BLISS.

The people of rural background of Todaraisingh and nearby places had the dreams to rise and shine but did not have the wings to fly against all adversities, so with the blessings of my father and my aspirations and passion, this project was given shape to shape up the lives of hundreds of children of this native and nearby areas.

As it is rightly said that teamwork makes the dream work, great things are never done by one person. BLISS is blessed with dedicated teams of academic as well as non academic staff and support staff. Right from the construction to the great launch of this world class institution, the dedicated staff propelled by motivation, endurance and perseverance helped us in achieving this goal of turning caterpillars into butterflies.

The goal of education in the 21st century is the mastery of information, embedded knowledge, understanding and the advanced use of technology in society. It should allow our students to master the learning process, to engage with their curriculum, own and direct their learning in their own individual and flexible ways. The goal of education should be to provide complex learning environments for students which incorporates authentic learning, assessing and personal development.

I am happy that we are going in right direction to achieve the goals of education with the help of all the stakeholders.

Thanks to be with us!

Director's Message

Radha Choudhary

DEAR STUDENTS AND PARENTS

I welcome all the parents, students and each stakeholder on this domain!

I and my whole team are on an expedition to discover the true qualities that lead to outstanding achievements. Globalization has made the world more vulnerable and it creates a world without borders. So we need to prepare our children to become global-smart citizens.

B L International Smart School (BLISS) upholds the ethos and values of Indian culture with a blend of powerful modern technology. We are equipped with excellent infrastructure, zero pollution environment with world class teaching tools to inspire students to engage both in academics as well as enriching extra-curricular programmes. We ensure our students are groomed in such a manner so that they grow up to become global-smart citizens and can adapt to any kind of environment easily.

A culture of creative thinking, inquisitiveness, resilience and independence is inculcated in students right from pre primary level to build a strong foundation for future. Our dedicated and talented team of faculty members with their experience and excellent academic expertise are actively engaged in making excellence happen every day.

Come, Join us, grow and be a change maker in the lives of students!

Our Mission

To provide the best infrastructure, modern amenities, best facilities to create the learning situations to inculcate 21st century skills: Critical thinking, Communication, Collaboration, and Creativity. To adopt the latest pedagogy to maximize learning with Indian values.

Our Vision

Our vision is to be the prominent residential school in the country, producing future leaders with a global perspective and Indian ethos. We aspire to develop well-rounded, independent thinker and confident individuals who can contribute great values to the nation.

Our Campus

Plan a visit to BLISS Campus and explore its exceptionally beautiful and picturesque environment. It is situated on Jaipur Road, Toda Rai Singh in Tonk district in Rajasthan. It offers a pollution free environment far away from the maddening crowd of the city life.

Empowered for life

Each individual is blessed with a unique power and strength in different ways, and we at BLISS make them realize this by focusing on their best so that they can shine with confidence and inner strength. Not only academics but an overall personality development is must for children so that they never shy away from adversities. The three C's Confidence, Character and Communication skills are imbibed in their personalities here at BLISS at the foundation of their life and stays with them to empower them for life.

Co-Curricular Activities

Inter-House recitation, debate, extempore competitions both in Hindi & English and competitions in Painting, Calligraphy, Drama, Solo song and Dance competitions are the regular features of our school calendar. Practice in classical music and dance are given by qualified teachers. The school pride itself to have music band which has got many laurels to its credit.

History & Location

B.L International Smart School came into existence in 2012 in memory of late Mr. Banna Lal Choudhary to bring a Bhagirathi of education in the Toda Rai Singh.

Toda Rai Singh is a historical city situated in Tonk district and was established in the year 1901. It is surrounded by hills and this ancient city is of great archaeological significance. In earlier times it was known as Takshakpur, Takshakagadh, Todapattan, Ishtikapur, etc.

Toda Rai Singh is blessed with rich cultural heritage and glorious historical past. There are many historical places of tourist interest in Toda Rai Singh such as - Ruthi rani Mahal, Gadh ke Balaji, Neem ki Khan, Budh Sagar, Aam Sagar, Hadi Rani ki Baori, Raja Rai Singh's Mahal, Isar Baori and Bhopat Baori. The temples of Raghoraji, Govind Dev Ji, Gopi Nath Ji, and Kalyanji are also popular. Todaraisingh is one of the town in Todaraisingh Mandal in Tonk District in Rajasthan State. It is 36 kms far from the main Tonk City and 130 kms far from Jaipur City. Bisalpur dam is near around 10 kms from Toda Rai Singh.

Games & Sports

Set within its attractive grounds, the school has large play grounds for Basket Ball, Football, Volley Ball, Tennis, Kabaddi and Athletics. Students are also given training for Martial Art, Judo Karate, Mountaining and Yoga. All these amenities provide exciting opportunities for stimulating active learning.

Academic Building

The school campus surrounded by shady trees, green lawns with flowerbeds, is one of the most spectacular landscape in Rajasthan. The campus is studded with exquisite infrastructure on 20 Acres of land. In addition to classrooms there are laboratories for Biology, Chemistry, Physics, Mathematics, Computer Science Lab, Composite Science Lab and two Libraries with modern amenities.

Infrastructure

Bliss campus is one of its kind in the entire district of Tonk. The campus spread on 20 acres of land, is beautifully landscaped with well manicured gardens, tree lined avenues, lush green and meticulously maintained play fields. The school building is a great mix of baronial and contemporary architecture. It includes-

- Spacious and ventilated classrooms with modular furniture and display boards.
- Audio visual rooms for junior and senior categories.
- Well stocked libraries which are the quiet zones for students to inculcate the reading habits
- Well equipped and hi-tech laboratories for science, Mathematics and Computers for practical learning through experiments and subject enrichment activities.

- Art in the form of music, dance, drawing and craft become a part of academics at BLISS and not any extracurricular activity. There are separate rooms for dance, music and Art & Craft where students get the freedom of expression and fly on the wings of imagination.
- We boast of a great sports infrastructure with three basket ball courts, separate grounds for football, volleyball, handball and kabaddi, spacious and well equipped rooms for indoor sports like table tennis, carrom, judo and karate. Special courses for self defence for girls with professional guidance as well as extensive coaching is provided for all sports under the guidance of expert trainers and coaches.
- The open Theatre, with a seating capacity of 1200 people is used for entertainment, performances and various cultural events.

Hostel life @ BLISS

The Gurukul system of ancient India pioneered the concept of hostel life where a child learns and develops a strong character to excel on intellectual, social and emotional grounds. We at BLISS try our best to create a loving, caring and comfortable life for students. We also believe in inculcating self discipline and high moral values to develop them as true integrated human beings.

We have separate buildings for boys and girls hostels with fully furnished AC rooms designed to provide a healthy environment for their personal and social growth. The residential staff, the wardens, care takers and maintenance staff maintains the academic, medical and personal progress of their wards.

Boarding & Lodging Facility

BLISS provides separate boarding facility for boys and girls. There are 4 boarding houses with all the facilities including AC Rooms and fully furnished rooms quad sharing basis. Boarders are nurtured by the dedicated House Masters with parental care.

BLISS hostel is a modern fully AC building built with explicit purpose of offering a stimulating and enriching experience where students can learn for life. The residential staff takes a personal interest in each boarders progress, guiding, advising and encouraging them as required. Extra academic classes are provided to all boarder students by residential teachers thrice in a day. Co-curricular activities and competitions are also organized for boarders other than School competitions. 24x7 medical assistance is provided by residential doctors. Boarders are examined every 3 days for their health.

The mess provides balanced and nutritious vegetarian protein rich food prepared in hygienic conditions and served in air conditioned dining hall. School auditorium is available for indoor games and events with seating capacity of 1200.
